NAAC GRADE – 'B'

**Policy Document on the Green Campus Initiatives**

The following initiatives have been planned for maintaining and enhancing the green campus initiatives based on the expert committee "Eco Club"

1. **Restricted entry of unwanted automobiles:** Awareness and initiatives must be planned and implemented in this regard.
2. **Use of Bicycles:** Numerous seminars, Lectures and circulars to be initiated to enhance the knowledge-base of students regarding less usage of petroleum based vehicles and increase in the usage of bicycles
3. **Ban on Plastic use:** Several awareness and stringent initiatives to be planned for the minimalistic usage of plastic and plastic based products. Additionally, "No Plastic Day" to be organized with the consistent support of NSS. Flex, banners and posters to be stuck and pasted on the relevant places of the institute premises to make students and staff aware about it.
4. **Landscaping with trees and plants:** For keeping the campus green and clean and enhancing the beautification, constant circulars and initiatives must be planned and implemented. Plantation to be increased based on the knowledge-enhancement of plants and their importance.
